- A web-application designed for managers to set up leagues, schedule games, and communicate.
- Primarily ran DevOps; solving merge conflicts and debugging. Also coded front-end UI.
- Utilizes Handlebars.JS, jQuery, SQL (MySQL/Sequelize), Node.JS, Express, Passport, ES Lint

EXPERIENCE

Eligibility Specialist II   2019 – Current
State of Utah   Salt Lake City, UT
Reviewed case files in regards to Medicaid and other welfare benefits and processed those benefits in accordance with associated policy. Worked directly with trainers and Program Specialists to develop procedures in response to agency policy, State and Federal laws, and department needs.
Key Accomplishments:
- Led the team while between supervisors, and any time the supervisor was on leave.

Development Coach   2016 – 2018
Lexington Law Firm   Salt Lake City, UT

Collaborated with other coaches and trainers to write user stories and plan weekly, bi-weekly, and

monthly goals for phone agents and create the programs to help them achieve those goals.

Key Accomplishments:
- Highest increase in phone agent stats among Development Coach teams.
- Wrote procedure for retention teams that was implemented company wide.

EDUCATION

Bootcamp Certificate: University of Utah, Salt Lake City, UT

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Bulma, Passport, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Bachelor's Degree in Health, Society, and Policy: University of Utah, Salt Lake City, UT
A program focused on the impact of State and Federal policy for medicaid and other social benefit programs. Individual focus was on the policy portion and how changes in policy can affect the overall health and wellness of communities.
